Dolomitengolf Suites

Nestled in the Alps in East Tyrol, the Dolomitengolf Suites offers every kind of comfort: from the wellness and spa area to the heated outdoor pool, the natural pond, up to the suites of the highest design. Gervasoni customises the various areas of the hotel with a wide selection of furnishings, such as the Inout sun loungers in the swimming pool area, the Gray collection that combine the austere elegance of classic furnishings with the simplicity of Nordic forms, the Loll upholstered furniture, expression of contemporary comfort, and the Ghost chairs, characterised by removable covers that make them suitable for the most varied settings.
