Gervasoni @ Maison&Objet Paris

Gervasoni returned to Paris to attend Maison & Objet 2024, a leading event and showcase for the world of objects and furniture in the French market. The stand hosted the company's latest indoor and outdoor novelties and a selection of the brand's most iconic furnishings in a set-up curated by Concetta Giannangeli.

HIO - der Acker kocht

The HIO - der Acker kocht in Hilzhofen is a new haute cuisine restaurant that combines regionality, excellent Michelin-starred cuisine, and sustainability.

Thanks to the perfect combination of modern and traditional, the furnishings of Gervasoni's Gray collection integrate perfectly with the design concept, preserving the discreet colours of the environment to create a sense of continuity between interior and exterior.
