Gervasoni novelties for night-time comfort

The sleeping area becomes a stylish retreat, a place where comfort and design come together to create a relaxing and regenerating environment. Gervasoni expands its bedroom catalogue, introducing a variety of products designed to offer furnishing solutions that satisfy different stylistic preferences.

Eidos Table

Eidos, 'form' in Greek, is the new collection designed by Gabriele and Oscar Buratti composed by dining table and armchair. The rectangular tables combine geometric elements with different thicknesses, covered with a semi-gloss resin in bright colours with a cloudy effect.

Mudra Art Cuisine

The Huma Kotor Bay Hotel & Villas perfectly blends enchanting stories, vibrant mythology and magical landscapes with a unique five-star experience. At the hotel's Mudra Art Cuisine restaurant, guests can enjoy the sunset from the terrace overlooking the gulf, which offers a truly breathtaking view. Gervasoni's Inout Collection and Gray chairs add an eclectic and sophisticated touch to the space.
