Sly Hotel

The sly Berlin hotel takes inspiration from urban garden design, creating a place where interior and exterior meet. The industrial building, located in the heart of Berlin's Friedrichshain-Kreuzberg district, has been redeveloped with a contemporary touch, incorporating the aesthetics of traditional Berlin courtyards and an impressive greenhouse dedicated to the restaurant area.

Gervasoni furnished the hotel's restaurant area with offerings from the Gray and Inout collections, products that reflect the cosmopolitan soul of the city.
