I. Samet è un divano componibile senza regole, un prodotto polifunzionale e configurabile che pone l'uomo come soggetto attivo nella composizione del proprio spazio, incoraggiandolo a sperimentare nuove forme di utilizzo. Sedute accoglienti e ospitali si accostano l'una all'altra in geometrie regolari e morbide, un progetto dinamico per creare molteplici tipologie di sedute più o meno informali. Dettagli, impunture e matelassé, arricchiscono una semplice modulistica che crea infinite composizioni con un'estetica oltre tempo, dal sofà più classico a quello più poliedrico.

E. Samet is a modular sofa without rules, a multifunctional and modular product that places man as an active subject in the composition of his own space, encouraging him to experiment with new forms of use. Cozy and comfortable seats are combined each other in regular and soft geometries, a dynamic design to create multiple types of elegant or informal seating in the same time. Details, stitching and matelassé enrich the collection creating ever-new compositions with a timeless aesthetic, from the most classic sofa to the most eclectic.

F. Samet est un canapé modulaire sans règles, un produit multifonctionnel et configurable qui place la personne en tant que sujet actif dans la composition de son propre espace, en l'encourageant à expérimenter de nouvelles formes d'utilisation. Des sièges confortables et accueillants sont juxtaposés les uns aux autres dans des géométries régulières et douces, un design dynamique pour créer de multiples types de sièges plus ou moins informels. Détails, coutures et éléments matelassés enrichissent une modularité simple qui crée des compositions infinies à l'esthétique intemporelle, du canapé le plus classique au plus multiforme.

D. Samet ist ein modulares Sofa ohne Regeln, ein multifunktionales und konfigurierbares Produkt, das den Menschen als aktives Subjekt in die Gestaltung seines eigenen Raums einbezieht und ihn ermutigt, neue Verwendungsmöglichkeiten Nutzungsformen zu experimentieren. Gemütliche und einladende Sitzelemente werden in regelmäßigen und weichen Geometrien einander gegenübergestellt, ein dynamisches Design, um verschiedene Arten von mehr oder weniger informellen Sitzgelegenheiten zu schaffen. Details, Nähte und Steppauflagen bereichern eine einfache Modularität, die unendliche Kompositionen mit einer zeitlosen Ästhetik schafft, vom klassischsten Sofa bis zum Allrounder Teil.

↳ Fastening System

I. Il fissaggio dei moduli avviene tramite staffe in metallo ad incastro che consentono un pratico e stabile collegamento tra sedute, schienali e braccioli. Tutte le configurazioni sono modificabili grazie al semplice sistema di aggancio che permette lo spostamento o l'aggiunta di ulteriori moduli.

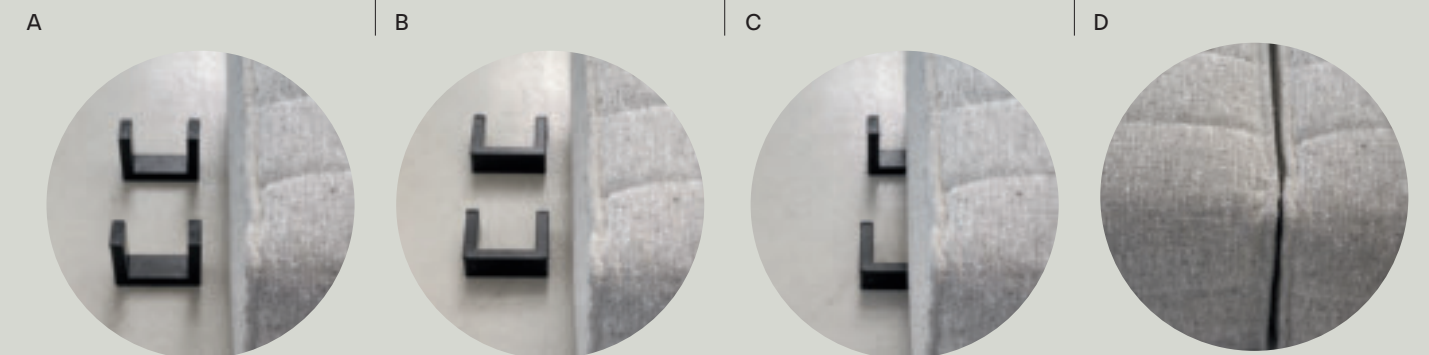

E. The modules are fastened by means of interlocking metal brackets that provide a convenient and stable connection between seats, backs and armrests. All configurations are customisable thanks to the simple fastening system that allows further modules to be moved or added.

F. Les éléments sont fixés à l'aide de supports métalliques qui s'emboîtent les uns dans les autres et permettent une connexion pratique et stable entre les sièges, les dossiers et les accoudoirs. Toutes les configurations sont modifiables grâce au système de fixation simple qui permet de déplacer ou d'ajouter des modules supplémentaires.

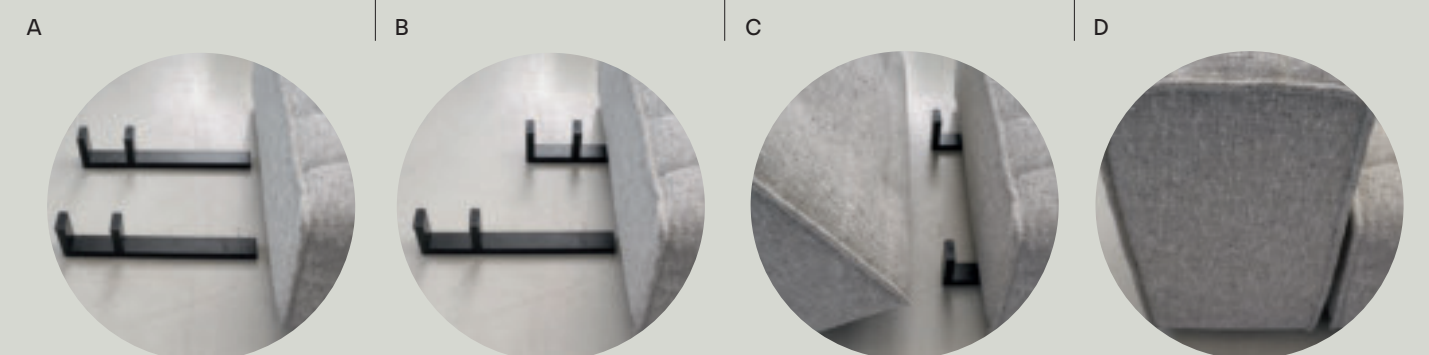

D. Die Elemente werden mit Hilfe von ineinandergreifenden Metallbügeln zusammenbefestigt, die eine praktische und stabile Verbindung zwischen Sitz, Rücken- und Armlehnen ermöglichen. Dank des einfachen Befestigungssystems, das das Verschieben oder Hinzufügen weiterer Module ermöglicht, können alle Konfigurationen individuell verändert werden.

Staffe corte per l'aggancio tra i moduli di seduta.
/ Short connectors between seat modules.

Staffe lunghe per l'aggancio tra i moduli di seduta e di schienale/bracciolo.
/ Long connectors between seat and back/armrest modules.
