Marta Giardini

Colette 21, inspired by the informal elegance of Parisian bistro seating, is an outdoor chair that brings the charm of France to outdoor settings. It features a steel tubular frame treated for outdoor use, painted in a matte Pearl finish. Woven in Colette Resin.

Colette Resin is a fibre made from high-quality polyethylene and inorganic, environmentally friendly dyes. Natural-looking, strong, flexible and durable, Colette Resin complies with the strictest standards in terms of resistance to solar radiation, moi sture and water (even sea water and chlorinated water).
