GUNA / BEISTELLTISCH,
Chiara Andreatti

Low tables, with a round top and sculptural base in Millgres.

Millgres: The resistance to weather agents and to humidity makes Millgres a perfect material for the outdoor worl. Furthermore, the easy maintenance thanks to its stainproof qualities and ability to be washed with common detergents make it also suitable to be used for foods. Cleaning instructions: use neutral detergents with the help of a soft non-abrasive cloth and rinse abundantly.
