LOLL / CANAPÉ,
Paola Navone

A proposal that tells a story of contemporary comfort, made special by the attention to detail, the quality of the materials and the uniqueness of the craftsmanship, such as the profile of the sofas underlined by the characteristic sew/cut seam which, like a light line drawn by hand, follows the essential geometries and soft lines of the collection. The solid wood structure with polyurethane foam shell is combined with large seat and back cushions made with a soft layer of channelled goose down, recovering the traditional technique of using pocket springs in the seat cushions for enhanced comfort. In all its versions, the covers of the LOLL collection are completely and easily removable.
