RANDOM / DECKENLEUCHTE,
Paola Navone

The Random 96 suspension lamp is characterised by an elongated bell-shaped lampshade with high-density polyethylene weave worked with irregular mesh, combining the poetry of a lace lampshade with its resistance to water and humidity, harking back to the ethnic suggestions of woven objects. Product stabilized under UV rays for outdoor use. IP 44 (protection against water splashing), max. power 15 W LED, 220 Volt, bulb holder E 27, bulb not included. Electrical cable length 300 cm; steel cable length 200 cm.

Directive 2002/96/EC (Waste Electrical and Electronic Equipment - WEEE): information for users. This product complies with EU Directive 2002/96/EC. The crossed-out wastebasket symbol on the appliance means that at the end of its useful lifespan, the product must be disposed of separately from ordinary household wastes. The user is responsible for delivering the appliance to an appropriate collection facility at the end of its useful lifespan. Appropriate separate collection to permit recycling, treatment and environmentally compatible disposal helps prevent negative impact on the environment and human health and promotes recycling of the materials making up the product. For more information on available collection facilities, contact your local waste collection service or the shop where you boughl this appliance.
