A proposal with squared lines but of great visual lightness characterises the family of WK sofas, available with two or three seats. Solid beech frame stained with polyurethane base coat and mat acrylic semi-open pore top coat, American walnut finishing. Covered by handwoven natural rawhide stained with polyurethane base coat and mat acrylic semi-open pore top coat, transparent finishing. Its tension can change with time, especially in relation with humidity and change of temperature. Brown polyethylene feet. Seat cushion in polyurethane foam. Back cushions in dacron and down. Cover for seat and back upholstered with Gervasoni’ s fabric or C.O.M.
