BE BOLD, BE BRIGHT & FIND THE FEEL-GOOD FACTOR

Hallway A new staircase, sympathetic to the original architecture with sweeping semi-circular landings, was installed in a vertical void that extends across all floors. The 'Snoopy' table lamp is by Achille and Pier Giacomo Castiglioni for Flos, available at Heal's, and the 'Plaster Cone' pendant is by Rose Uniacke

Living room Two yellow 'Utrecht' armchairs by Gerrit Thomas Rietveld for Cassina brighten up this calm space, which also features a white 'Ghost 12' sofa by Paola Navone for Gervasoni and a jesmonite 'Pilotis' coffee table by Malgorzata Bany from The New Craftsmen. The 'Soumak' hemp rug is by Rose Uniacke and the 'Ball Bubble' pendant lamp is by George Nelson for Herman Miller, available at SCP. Reclaimed floorboards from Belgian company Timbertech are used throughout the ground floor ➤
