Get ready for winter season

Gervasoni armchairs, sofas and soft cushions are getting ready for the cold season and the holidays by dressing up in warm, substantial fabrics: from bright velvets to soft cottons and compact bouclé linens. Bright touches from gold lamps and tables make rooms more sparkling in preparation for the holidays.

Focus on: Gray 29

A wooden rocking chair, GRAY 29 has a curved design that evokes the classic Nordic style. It features a backrest with wooden slats that create an interplay of solids and voids. It boasts a pleasant contrast between the minimal design of the walnut or oak frame and the softness of the loose cushions for added comfort.
